Mary Portas Appeal

I was born in Liskeard and have spent all of my working career in the town.

Over the years, I have seen many changes. While the town, like many others, is now facing a difficult time due to the poor economic climate, I strongly believe that Liskeard has a good future.

The town is a centre for a wide rural area. The town has great character and, in my opinion, ideally placed to be considered for a 'Mary Portas Town'.

I sincerely hope that the bid will be successful as I believe that, support from Mary Portas would see Liskeard maintaining its position as one of the focal point towns in Cornwall.

Regards,

John Blake
